## OBJECTIVE

---

Third-year undergraduate student studying Information Technology at York University. Skilled and experienced in multiple I.T-related areas, including programming, web development, and technical writing. Currently looking to gain more professional work experience and learn from new opportunities with companies that are invested in helping students grow.

## EDUCATION

---

**Honours Bachelor of Arts Degree in Information Technology** | September 2022 – Ongoing  
York University, Toronto, ON

- **Cumulative GPA:** 3.30
- **Relevant Courses:** Object-Oriented Programming, Introduction to Data Structures, Introduction to Analytical Programming, Web Technologies, Effective Writing and Research in ITEC
- **Data Structures Application ([GitHub](#)):** Wrote an application in Java that contained five different data structures coded entirely from scratch without the use of any related built-in libraries, allowing the user to interact with these data structures through a clean and intuitive text-based interface.
- **Website Development Project ([GitHub](#)):** Created a website that served as an E-Portfolio using HTML, CSS, and JavaScript, incorporating multiple different pages, all designed with a uniform look. Utilized both programming and graphic design fundamentals to achieve the desired results.
- **Technical Guide Project ([iFixit](#)):** Wrote a technical guide on how to replace a button on a device known as an arcade stick and published it on iFixit, complete with pictures and instructions.
- Took part in a few group projects, demonstrating leadership qualities as well as exceptional organizational skills and time management.

## WORK & VOLUNTEER EXPERIENCE

---

**Cashier/Customer Service** | December 2018 – September 2019  
Ontario Grill, Mississauga, ON

- Operated the cash register and processed orders, demonstrating efficiency and effective listening.
- Assisted customers with any questions or inquiries they may have had in a respectful manner.
- Cleaned and maintained the dining area while also seating customers, managing both tasks with the utmost care and attention.
- Served food to customers in a timely manner, demonstrating the ability to provide exceptional service even under time constraints.

**Volunteer** | 2018 – 2020  
Masjid Al-Farooq, Mississauga, ON

- Ensured that the mosque was properly maintained by regularly performing cleaning duties.
- Organized bookshelves and paperwork in the main hall as well as the office.

**Volunteer** | 2021 – 2021  
Sending Sunshine, Mississauga, ON

- Wrote 18 personalized letters meant for elderly people living in nursing homes and mailed them to an organization called Sensing Sunshine, who then distributed them to various nursing homes.

## TECHNICAL SKILLS

---

- Java, Python, JavaScript, HTML
- Technical Writing
- Some Experience in Linux
